Authorization. However, I acknowledge that the University Health Center may condition the provision of health care to me if it is being provided specifically for the purpose of creating protected health information for disclosure to a third party, or is being provided in connection with my participation in research-related treatment, upon my agreement in this Authorization to use and/or disclose such protected health information as specified.

By signing below, I acknowledge that I have read and understand this Authorization, that I have voluntarily given my authorization to the University Health Center to disclose my records to or obtain them from the person/organization listed above, and that I may revoke this Authorization, at any time by providing a written notice to the University Health Center to the attention of the Manager, Registration and Health Information (mgibson@uhs.uga.edu). The revocation shall be effective except to the extent that the University Health Center has already used or disclosed information in reliance on the Authorization. For more detailed information on how to revoke this authorization, please refer to *Notice of Health Information Privacy Practices*, available at www.uhs.uga.edu.

I understand that my information may be re-disclosed by the authorized person/organization receiving the information, and at that point, the information may no longer be protected under the terms of this Authorization. Unless otherwise revoked, this Authorization will expire one year from the date signed or on the following date, event or condition:
